Preliminary Injunction, Temporary  
Restraining order, TRO

Under the False claims Act, 31 USC 3729

I File this Preliminary Injunction temporary restraining order  
Against Amtrak. Amtrak Disregards citizens Safety.  
Amtrak conductors and Engineers are poorly trained and  
Violate all policy and procedures which puts citizens in  
this great country in Danger. My thoughts and prayers  
are for the victims of the preventable Disaster Tuesday  
night May 12, 2014 Along the Northeast corridor. Brandon  
Bostian was totally Reckless and irresponsible. Federal  
Investigators must check his home computers because  
Defendant Brandon Bostian followed terrorist ISIS members  
on social media and Bostian wanted to commit suicide  
like Andreas Lubitz of German Airwings, so Bostian  
Used Amtrak train as a WMD, this is a gigantic vast  
conspiracy to create a False Flag Attack to Justify  
more Funding for Amtrak, more Govt control of trains  
like what the NSA remote controlled Paul Walkers  
vehicle, same goes in this Accident and the CIA

remote controlled Brandon Bostrian's Brain under project MK-Ultra, mind control to do evil Acts at the expense of our Civil Liberties and I am Whistleblowing. The CIA was under Board Brandon Bostrian Now, in the Interest of National security cause Bostrian is a ISIS sympathizer and the Germantown Masjid/Mosque was close to the Crash site which is a Sol-Fist Safe Haven. Bostrian practices Muslim extremism and was a George Bush created ISIS Homegrown Terrorist. Warren Buffet is in a conspiracy to monopolize the railroad industry. Amtrak must investigate and Debrief every train conductor nationwide to prevent this May 12<sup>th</sup> Accident/Attack /NWO Agenda to ever happening Again. Amtraks employee training is Akin to Baltimore police officers training. Kinda Fishy Michael Nutter was Defending the Baltimore Mayors decision making on CNN, then Nutter is in the Spotlight and Nutter is hosting the Pope in September. Michael Nutter is a Freemason who dances at Bohemian Grove. Philadelphia has reckless Septa drivers with criminal records. I speak on Behalf of humanity. George Orwell was right. Alex Jones and Mark Dice are Illuminati Agents. I seek a restraining order Against Amtrak nationwide, until a Full investigation by Ted Wells, Mitchell, and the Warren commission. No trains are to be in operation cause Superman lost his life and can't catch trains. Brandon Bostrian was loco-motive with motives of evil. I am a patriot. God Bless America.

Respectfully, S/14/15
